

LINKS - Plumbing

During this course you will learn about Plumbing.

Course category: 14 - 16 Programme

Course content:

Site: Wilson Avenue

Content:

You will learn about Plumbing. You will learn hand skills, forming joints and cutting and bending pipes. You will learn about the tools and materials used in Plumbing and how to safely handle, use and store them.

Qualification:

College Certificate of Completion

Could lead to:

You might progress to an NVQ2 in Plumbing through an Apprenticeship when you leave school. You would need to have a relevant employer to do this.

Entry Requirements:

Learners must be able to work safely in a potentially dangerous environment. Learners must be willing to try all aspects of this course and be able to work as part of a team.

To apply:

Complete the application form as fully as you can and hand it in to the college co-ordinator at your school. They will tell you what the next step is.

Please note: Applying for this course does not guarantee you a place on it.
