Course aims:

The Football Development Academy can only be studied alongside a full time core BTEC programme. The course is a unique programme that has been designed to combine high-quality coaching with the opportunity to gain qualifications in sport, coaching and key skills. This combined program is the ideal way to ensure that if your sporting dream isn't realised, you will have the qualifications, skills and confidence to pursue a career in the sports industry.

Students will receive specialist coaching from an ex-professional footballer and UEFA Licensed Coach for a minimum of 6 hours each week and will play competitive matches in local and national league and cup competitions. We have extensive facilities for you including full-sized astro-turf pitches, full-sized grass pitches, indoor sports hall and gymnasium.

The primary motive of this academy is to encourage young people back into the professional or semi-professional game and we have extensive links with the local and national footballing community to encourage this.
