In the College, we support many students who need additional support for difficulties with reading or writing, with a learning difficulty or for a disability.

Do you think you may need additional support? Yes No

If yes, it will help us to arrange support if you can supply us with some more details.

Please tick or write in the box. You do not have to give this information but it will help us to organise support or make any reasonable adjustments.

Are you or have you ever lived in care or been looked after? Yes No

Do you have any relevant* unspent+ criminal convictions? Yes No

* Relevant convictions means convictions for offences:

- against the person, whether of a violent or a sexual nature
- involving the unlawful supply or use of controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking

+ If you are applying for a course in teaching, health, social work, sport, childcare or involving work with children or vulnerable adults previous criminal convictions may affect your ability to attend work placements and possibly achieve your course.

If you declare that you have a conviction, you will be contacted for further information. This is to help us access any potential risks to yourself or others in the College. Having a criminal record will not necessarily prevent you from studying at College but will depend on the nature of the course and the circumstances and background of the offence. If you do not disclose a relevant conviction then this could result in disciplinary action by the College.
